Action: Putting our Ideas onto Paper

Our in-house Fashion Designers/Artists finally succumbed to their inner passion .

They heed to the silent cry of the crispy papers and drawing materials, as they set out to put their ideas onto paper. They Slowly design, amend and re-design again.

Well done guys!

Preparation

All hands on deck, as we plan and prepare for our upcoming Fashion Show.

our materials pilling up from donors and crispy papers flapping for artistic attention.

Big smiles from everyone.

Hey Gee What are you up to man? Just kidding, he's only checking out cool songs for the show as well.

It's exciting time for us all!
