NEW MEMBERS

We welcome Naheem, Dennis and Ketura to the group.

Hi guys!

FILMING: NO ZONE

Our Filming went well on the 22nd of April, 2017 as planned.

The sky was bright; the sun shining steady and strong, all through the day. production team were happy, enthusiastic and passionate about their individual characters /role in the film.

Production ended at 7pm without any hitch or complaints.

Epic!
