FILMING: NO ZONE

There is a lot of buzz in the air as we get ready to go on set and film our short story; 'No Zone'.

Props, ready * Casts, excited & rehearsed *Location, Sorted

* Resources, Spot on. *Crew, happy, motivated, energized and impatient to start work on the day.

We all can't wait to go out there, on set, with all the above in place, to click, film and package the content of our charity's first movie!

Trust me. It will be awesome., mind blowing and epic.

We will keep you updated on some peek shots, and hey, remember, you will have the chance to watch the whole film on our screen night, - if you book your tickets on time. TBA.

Epic!
